

Paris Centre for Cosmological Physics

Tests and theories of Lorentz symmetry violations

APC Paris, 2nd March 2012

Topics:

Lorentz symmetry breaking

Lorentz symmetry deformation

Cosmological tests of Lorentz symmetry

Probing space-time symmetries with
astrophysical observations

Scientific Organising Committee:

George F. Smoot (PCCP, APC)

Pierre Binetruy (APC)

Federico Piazza (PCCP, APC)

Giulia Gubitosi (PCCP, CEA Saclay)

Mark Jackson (PCCP, APC)
